After the Marshal had boarded her they put on steam and car- 5 ried him off up the river, but he soon stopped that proceeding and had her brought back to the wharf, where they stayed until the claim was secured.

SETTLED .- In yesterday morning's In-TELLIGENCER we made mention of the arrest of a colored man, David Grant, for disturbing the public peace, or assaulting another colored man, Richard Kenney. James Scientific, agricultural, Military and Engineer-ing. Also a thoroughly organized Preparatory Moffat, son of the Rev. John Moffat who pit of that church so acceptably. The health of the elder Mr. M., as our city readers are aware, has been quite feeble the past year or two-so much so as to make it necessary to have an assistant in discharging the duties of pastor. The choice has tallen on one who is in every way qualified for the responsible position. The call will go to the Presbytery, now in session at Burgettstown for its approval, and will be taken there to day, by Rev. Mr. Fisher. If Kev.
